April 2010

"Thanks Guys, I really appreciate your time and patience. It was great to learn about the business of barbering as well. I opened my barbers "The Enniskerry Barbers" in May. The course gave me the confidence to get into this industry. Thanks again."

Paul McEvoy

January 2010

"Just to say thanks for all the great training. Managed to get a part-time job in a local barbers. Bit scary at first but feeling a lot more confident now. All going great. Really loving it now. Glad I did the course. Thanks a million. "

Susan Quinn

November 2009

"I finished the course in November 2009. Thanks to my training and the 'step by step' techniques used by my teacher. My barber shop "Boyne Barbers" opened in April 2010. Knights barbers even took the time to go over a few cuts with me before I opened. Top class service! Thanks again for your help.

SCHOOL *of* BARBERING

**GRAFTON STREET
DUBLIN 2**

Introduction to Barbering Course

The Knights of the Green School of Barbering provides the best possible entrance into the barbering industry.

Knights is the best recognised school with the most comprehensive proven teaching system and we train more barbers than anyone else in Ireland. You will learn a skill that you can take anywhere in the world, from the leading barbershops in Ireland to cutting hair on a beach on a Greek island.

Is it for you?

There are no prerequisites for this course. Men and women of all ages, from all over the country from all walks of life have taken this course. People with an eye for detail, that like working with people really enjoy the course. You'll have the satisfaction of learning a new skill, and of doing great haircuts.

TV appearances

Knights School of Barbering was featured in two documentaries in 2009, **RTÉ ONE** Nationwide and **tv3** "Surviving the Recession". The clips are linked to from our web site www.knights-barbers.com. We've also been on Ireland AM and Off the Rails.

What will you learn?

- Shampooing hair
- Customer Service
- Traditional haircutting techniques
- Using scissors and thinning scissors
- Using the razor (clippers) and attachments (blades)
- Blending in
- Texturising
- Scissors over comb technique
- Natural hairline finishing

It's a very practical course and our location on Grafton Street means that models are available to practice on. **Dubliner** magazine has us as "Best Free Haircut" in Dublin.

Duration

The course is 6 weeks long, Monday to Thursday from 10am to 4pm.

Certificates

Attendees are awarded a Knights of the Green certificate.

Grants

Many of our students have received grant aid from FAS and Social Welfare.

What's next?

Many of our students go on to work in barbershops all over the country. Some begin as apprentices, but others are good enough to start out as barbers. Many of our students have gone on to open their own barbershops and are now self employed. Some even hired students they met on the course because they know how good they are!
